ARMY LAUGHS

A minister was out playing golf and not doing very well, when a man walked over and asked, "Reverend, could I give you some pointers to improve your swing?" The preacher said, "Be my guest," and the newcomer showed him how to use the proper stance, grip and so forth, and before long the preacher was hitting it fairly well. He finished the 18 holes in 125, which wasn't too bad for a beginner, so he walked over to thank the man. The man said, "I enjoyed helping you, but I'm the golf pro, and my services for the hour were thirty dollars." The minister gave him a surprised stare, but he reached in his pocket for the money, and then he said, "By the way, do you like fried chicken?" The pro said he did, and the preacher said, "Well, we're having a big supper over at the church tomorrow. Why don't you come? And bring your mother and dad along... I'd like to perform the marriage ceremony!"

Late in the night John came home to his wife. In the dark she asked, "Is that you, John?" and he answered, "It had better be . . . who were you expecting?"

It's no wonder chicks in London are called birds. In those English minis, you can see their nests . . .

"Surprise."

Maisy was telling her girl friend about her new date. "He has this thing he calls a LAP HOLD-ER," she said. "All I have to do is sit on it, and I can't possibly fall off."

A second-generation hippie phoned home and told her mother, "I screwed a pig last night." The mama hippie screamed, "You did WHAT?" She said, "I got drunk, broke into a farmer's pigsty, and screwed one of his pigs last night." The mother hippie sighed, "What a relief . . . I thought you meant you had started letting policemen into your swapping circle!"

In an office where collections were always being taken up for one thing or another, a pretty girl about to be wed kidded her male co-workers, "I'll expect at least five dollars *apiece* from you fellows." One man reached into his wallet, handed her a ten dollar bill, and said, "Here's for what we did at the office party . . . I'll pay you for the company picnic next week."

"I wouldn't say my wife is ugly, but last week we had a swing party, and the fellow whose woman I swapped for picked my goat instead . . ."

HIDDEN MEANING?

Or, as Goldie Locks remarked when she ate the Papa Bear's porridge, "Wait till Gershon Legman hears about THIS!"

LAP . . . a three-letter word for a four-letter word.

"You must guard against on-the-job parturition!"

"I guess your little something is better than a whole lot of nothing!"

HEY FELLAS . . .

If you really want to break up a party, start bragging about what a bargain you got and hollering, "You wanta see a bargain? You wanta see a bargain?" a few times until you get EVERYBODY'S attention focused on you . . . and then, and then . . . suddenly unzip your pants, REACH IN, grab your shirt tail, pull it out, and say, "Did you ever see a bargain like THIS for only \$2.98?"

FISH TALE

I HAVE a rich friend who has both an outdoor and an indoor swimming pool. The indoor one wasn't really *meant* to be a swimming pool . . . actually, there's a leaky water pipe in his basement. And outside—well, the truth is, his cesspool caved in. It doesn't really matter; he can't swim, anyway. He does like to fish, though, so he stocked his outdoor pool with game fish. And they are *game* fish.

The other day I saw four barracuda and a grouper playing poker (Spit-in-the-Ocean, of course), using goldfish for stakes. They had to get rid of this grouper, however, when they caught him with a jack and two

kingfish up his sleeve. After the game they asked a striped bass to weigh in the winnings — but he'd misplaced his scales. He was a stripped striped bass.

Being rich, my friend usually fishes with dough bait. Dangle a dollar in front of a sucker and he'll bite every time. He doesn't like to fish with flies, but what can you do about them around a cesspool?

Last week he filled the pool with champagne so he could catch pickled herring. He likes smoked salmon, too, but can't find a pipe with a bowl large enough to smoke them in. Since he spiked the pool the flying fish aren't the only fish in that pool that are high . . . it's full of soused suckers and rum dum drum.

Yesterday he threw a shark in the pool because he wanted to see a drunken pool shark. That was a pretty famous shark, too; he's been "killed" twelve times by Lloyd Bridges. He's a real TV "starfish." Most of

ARMY LAUGHS

his fish are wet (which figures), but one trout doesn't drink (and it's not easy to live under water and be dry), so when he wants a charge, he just brushes up against the electric eel. And does he get lit!

A cotton mouth water moccasin got so drunk last night that when he bit someone, instead of ejecting poison, he cleansed the wound with alcohol. Later on he had the DT's so bad he saw people. And when he woke

up this morning he felt like he had a mouth full of cotton. He felt better, though, after a little hair of the dog-fish.

Drunk or sober, some of those fish are really smart. There's a school of salmon so intelligent they're known as "Yale Lox." And as Mrs. Ahab once said to her husband, "I'd like to bathe, honey; will you *please* get that damn great white whale out of the bathtub?"

* * *

A cowboy came rushing out of the hotel, drew his gun and stopped the first man he met.

"I just got married," the cowboy said. "You come into the hotel with me."

He marched the startled stranger up to his room and inside.

"Kiss my wife," he ordered, cocking the pistol.

The stranger did as he was told. "Good grief," he said. "That's the homeliest woman I've ever seen."

"Ain't she?" agreed the cowboy. "Now you hold the gun on me."

Two old maids were very curious as to what goes on during a honeymoon, so they made a pact that if either girl ever got married, she would wire the other one what it was like. Time passed, the two old maids moved to other parts of the country, and eventually they lost track of each other. Then one day, one old maid got a telegram that only said, "MARCH, MEAL, MAXWELL HOUSE." The only other information on the wire was the sender's name and the name of a motel in Hawaii. Unable to control her curiosity, she telephoned her old friend and asked what it meant. She replied, "I just got married, and that's how it is. March, Meal, Maxwell House . . . A drunk staggered into a bar with his pet octopus under his arm and bet the barkeep fifty dollars the octopus could play any musical instrument he brought out. So the bartender brought out a violin, the octopus played several bars of "The Whiffenpoof Song" on it, and the drunk collected the money and started to leave. The barkeep yelled, "Wait a minute, Mac. Give me a chance to get even!" And he brought out a set of bagpipes. The octopus climbed up on the bagpipes and started mashing and feeling and nuzzling all over them. The bartender at once started to pick up the money, but the drunk said, "Hold it. When he finds out it won't *play*, he'll play IT!"

**"Whatever gave you the silly idea that we steal only
from the rich?"**

THE SUPER SPY

I AM counter-espionage agent number 472, more commonly known as Samuel Slithers. My last assignment took me to a foreign country where I was hot on the trail of a foreign spy who had stolen some important documents from our government. For security reasons I had to pose as an American tourist, which I found quite difficult. My expense account was limited.

A series of clues led me to this particular village. By an ingenious method (asking a bartender) I found out that the spy's name was Von Rickmeier. I was to contact an associate in a well-frequented restaurant. After much searching I found the place in the center of town. I entered the dimly lit place and made my way to the bar.

I ordered a drink and threw it down in one gulp. Then I gasped. The water was unusually cold. I scanned the room. I

ARMY LAUGHS

counted sixteen people, including the bartender and the piano-player. After I put my shoes back on, I walked over to the piano-player and requested a tune. He cursed me and said he knew no tunes, but that he'd play a song instead.

I stood at the piano, thinking. I was desperate for a lead as to the whereabouts of Von Rickmeier. I stuck a cigarette in my mouth. Just then a voluptuous woman brushed past me. She slipped a matchbook into my hand. I opened the cover cautiously. As I suspected, a match.

I lit my cigarette and watched the woman sit down at a corner table. I walked over slowly, almost tripping over my feet. She said quietly, "You are looking for Von Rickmeier?"

"Yes," I said anxiously, "you know of his whereabouts?"

She handed me a package and said, "You can have this for twenty American dollars. In it is the information you need."

I gave her the twenty and she left. Anxiously I tore open the package. It was a telephone book. I hastily turned to the V's.

I had been swindled. Von Rickmeier was not listed.

Despondently I left the restaurant. I walked down the street hoping a new lead would turn up. A brilliant idea struck me. I would ask someone. I stopped a passer-by and questioned him subtly, "Do you know where Von Rickmeier lives?"

The man pointed to the end of the block. There, hanging over a huge mansion, was a twelve-foot neon sign, boldly blinking, "Von Rickmeier's." Strange that my keen perception

ARMY LAUGHS

had overlooked it before. But then I realized why. The i's in Rickmeier were undotted.

I waited for nightfall and then stole around to the back of Von Rickmeier's mansion. I went up to a window and quietly removed the window pane with a hammer. I took off my shoes to avoid unnecessary noise. Then I put my foot through the window frame. There was a horrible scream. It was me. I had stepped on the broken glass.

Quickly I entered the room and groped stealthily through the darkness. I had immediate success. I found the safe. Hastily I turned the knob. "The Johnson Rag" blared forth. It was a natural mistake. I turned the radio off and made my way along the wall. This time I found the safe.

I got down on my knees and turned the dial. Something was tumbling, but it wasn't stopping. After a short time I glanced at my watch. Four hours had gone by. I concluded that this was going to be a tricky one. I decided to use my sure-fire safe-cracking method.

I fished a stick of dynamite out of my coat pocket and inserted it at the base of the safe. I lit it and dashed for cover behind the curtains. The explosion rocked the room. I ran over to the two-piece safe and discovered the documents had also been destroyed. I smiled at the cleverness of my methods. Now neither side would have the poop.

I heard someone coming. The noise had probably aroused him. A light sleeper, no doubt. I hid behind the couch and watched

ARMY LAUGHS

the man come into the room. He had a gun in one hand. In the other he had a grenade. It was Von Rickmeier, all right. He never took chances.

I made a violent dash for the door and slammed it behind me, chuckling at my cleverness. I ran across the spacious living room and spied a door. I opened it and ran smack into a solid wall. The room was small and completely dark. I groped around blindly and felt hoards projecting from the wall and wire objects hanging from long-stemmed pieces of wood. A torture chamber, no doubt. I found a light and flipped it on. It was a closet.

I opened the door cautiously and stuck my head out. There was no one about so I ran quietly across the room, knocking over a couple of chairs, only to run squarely into the muzzle of Von Rickmeier's gun.

"Ah, I have you at last." I said.

Von Rickmeier smiled acidly and said, "No one gets the best of counter-counter-spy Von Rickmeier."

I lunged for him in one last

desperate attempt. He fired point-blank. But he missed. I'm awfully skinny. I wrenched the gun from his hand and pulled him to his feet.

"You're very clever, Von Rickmeier," I said, "but you can't get away from me. I'll have to tie you up, so you don't try any tricks."

"Bah," he said as I put him over my shoulder and carried him away. He was heavy. And he was right. He did get the best of me.

Somewhat embarrassed on the train the first day of their honeymoon, the young couple could find little to talk about. The boy noticed that a dog wandering around the train had stopped and was scratching his ear. Just to make conversation, the boy said, "I'll bet I can do what that dog is doing!" Then, by the time she glanced at the dog, it was licking its fanny . . .

Sudden gusts of hot, humid, noisy vapors were always blowing through little Rodney's back door, so when company came, his mother would remedy the situation by sticking a pickle up Rodney's key-hole. But one day she forgot and used a hot garlic dill, so Rodney pulled it out and put it back on the plate. The kid held in all through supper, but before he could be excused, the wind blew loud and clear. The Pastor, who was just finishing up the last morsel of food on the table, said, "Well, it sounds like someone just slammed Rodney's back entrance." The little boy said, "What else could they do, Reverend? You're chewing on the door-knob."

Two men were discussing their home life, and one man said, "It wasn't until after we were married for a while that I found out my wife was a half breed." A wife dropped in at her husband's office and found him squatting on his haunches, taking a book from the bottom shelf. Quickly, she ripped off all her clothes, tiptoed up behind him, wrapped her legs around his shoulders, dangled her bare boobs over his eyes, and asked, "Guess who?" Her husband groaned. "Get back to your typewriter, Miss Jones. You know it's not time for the coffee break yet!"

Now be truthful about this. If your girl gave a picnic and forgot to take along the silverware, would she give you a fork? Ask her!

"Say, how'd you get that gash on your forehead?"

"I bit myself."

"Oh, come on, how could you bite yourself on the forehead?"

"I stood on a chair."

YOU PLAY THE GAME— BUT DO YOU REALLY KNOW HOW TO SCORE??

Yeah, we're talking about finding a chick, feeling her out—and scoring! In other words, *how to seduce her!*

Sure, there are lots of books around telling you how to handle a chick, but this one starts with how to *find* one . . . (where you might not think to look) . . . and how to get her into the swing of it . . . *then*, how to satisfy her (and yourself, of course) by fully releasing her sexual drives!

In short: How to bring her to the brink of ecstatic orgasm by sophisticated sexual foreplay . . . and then, what new erotic techniques to use—and increase *both* your sexual pleasure!

This is the book that frankly tells it all: Where to find her, how to get her into bed, and what new sex kicks to show her—in detail!

The subject of the game is scoring—and the object is a luscious, lusty chick. The field of play? Bed—of course!

ARMY LAUGHS

Said the personnel manager to the would-be secretary, "I'd like to ask one more question before I put you on . . . how long does it take you to get back into your clothes?"

Remember, fellows, you don't have to wear your shorts backwards to have a fly on your butt.

A hobby farmer complained to Dr. Fowler that he had come home from the State Indoor Gardener's Meet feeling sick in the sprout. Doc Fowler asked if there were any women at the convention, and he said, "Yes, lots of them." Doc exclaimed, "Well, that explains things. You soaked it once too often, and now you've got ROOT ROT!"

*and the intruder

and raped me
repeatedly like a

Good-bye, Harold—

Two eighty-year-old men were sitting on the porch talking. One asked the other, "Do you ever think of sex?" He replied, "All the time." His friend asked, "What do you do about it?" He said, "Well, I unzip my fly, take it out, put it in the palm of my hand and look at it. It always looks like it already had some, so I put it back."

Nurse Beck just paid \$1,000.00 to have a cyclone fence put up, so her cat wouldn't get out while she was away at work. That's the first time we ever heard of a woman spending that kind of money to keep her own pussy under control. But, as anybody knows, cats can climb higher than fences, and the next thing you know, poor Beck had a loose pussy. So Beck invested a little more and had the fence electrified at a six-foot level. Her cat ran up the fence, put his nose on the hot wire, and sparks flew out of his ass. Leave it to a HEAD NURSE to have the only supercharged pussy in town . . .

"Will you get your hand out from underneath my coat, Tex?"

Catch more fish, bigger fish, or your money back!

"ACTION"

FISH LURE

Swims By Its Own Power!

ACTION LURE swims, dives, flops like a crippled minnow! Buzzes like a dying insect! Drives pan fish, game fish, salt water fish into a frenzy! Gets savage bites that simply can't pull loose from your hook!

Completely under its own power, ACTION LURE swims and dives like a live darting minnow, then returns to the surface to dive again and again, even on a slack line! As amazing ACTION LURE dives down deep to where the big ones are lurking, fish see its free swimming action, hear its buzzing sound, and bite savagely utterly without fear or hesitation!

Swims & dives to 15 feet! No tugging; no pulling!

ACTION LURE swims by itself without being pulled. It swims various depths down to 15 feet for up to one hour or more, with a slow, erratic, maimed-minnow motion that no fresh or salt water fish can resist, all the time sending out its enticing buzzing insect sound to attract fish from yards away!

Yes, ACTION LURE hauls in trophy size big mouthed bass, small mouthed bass, pike, pickerel, perch, walleye, dogfish, catfish, trout, and every other conceivable type of pan fish, game fish, and salt water fish! Eye-popping catches are reported from every section of the country, so we say "Prove it to yourself!" Use ACTION LURE for a full month, see for yourself how you catch more fish, bigger fish, how your friends insist on learning your amazing fishing secret.

Works like magic even when other lures and bait fail completely!

You'll haul in limit catches when others aren't even getting a nibble, in lakes, streams, rivers, oceans, wherever you fish! Just picture your self-propelled ACTION LURE slashing through the water in brilliant reds, whites & yellows, only 2" long yet carrying enough fuel to cut through the water for as much as one full hour with a single load! Plunging down to fifteen foot depths, rising again to the surface almost once every minute, ACTION LURE plows through the water tirelessly, pulling in the big ones from hundreds of yards around you!

Here's how ACTION LURE works: All you do is snap open the fuel chamber, drop in two pellets of fuel, and close the fuel chamber again. Takes less than 60 seconds; you don't even dirty your hands! And then...

Granted U.S. Patent No. 2,932,916

For perhaps one minute ACTION LURE will float quietly; then, as water reaches the fuel, your lure will seem to shudder for a second, then spring dramatically to "life!" Making the buzzing sound of a dying bee, ACTION LURE will point its nose downward, and begin its first descent! Slowly, jerkily, like a maimed minnow, it will swim noisily downward, buzzing and humming, traveling about nine feet every fifteen seconds! If no fish intercepts it, its descent automatically stops, it slowly raises up its nose and climbs to the surface again!

And again! And again! Tirelessly, hour after hour, far beyond the reach of your own casts! Roaming restlessly over every foot of water beneath you — even on slack line — even when your boat is tied up — even when you're curled upon the dock, sound asleep! And all the while ACTION LURE is swimming and buzzing and driving the fish around you to such a frenzy they practically tear the rod out of your hands!

World's first self-propelled lure!

No wonder this revolutionary ACTION LURE took six full years to develop! Here's what ACTION LURE will do for YOU! ...

It frees you forever from the filthy tasks of digging for worms & crawlers, before you can even get them into your boat! It frees you forever from paying \$3, \$4, or even \$5 for those fancy "Dead-as-a-Duck" lures that only work when you tow them!

Tomorrow, for the first time in your life, you'll be weighing down your boat with bass, trout, pike, pickerel, perch... limit catches of pan fish, game fish, fresh and salt water fish, wherever you can drop a line! You'll fish better — novica or pro — sound asleep at the bottom of your boat, than most fishermen sweating and casting till their arms ache from exhaustion!

And you'll have the time of your life, amazing your friends and family with your hauls, and seeing your fishermen friend's eyes pop as they watch your incredible self-propelled ACTION LURE at work!

Try one full month at our expense!

You have nothing to lose! Fish with ACTION LURE for one full month entirely at our risk! Cost is only \$2.98. You receive ACTION LURE plus enough fuel to last up to a full year, together with complete instructions. Four "alluring" colors: red, green, orange, yellow. Order all four for only \$9.98; you get four times as much fuel, and you save \$2.00.

Dr. Joseph Murphy, D.D., Ph.D., L.L.D.

Shows You

HOW TO PRAY AND GROW RICH!

We have been instructed by Dr. Joseph Murphy to give you the most exciting news you've ever heard—news of his amazing discovery of: how to pray and grow rich!

And Dr. Murphy promises you results not in a year—not in a month—not in a week—but immediately. Yes, says Dr. Murphy, "my prayer techniques will bring you immediate results!"

And best of all, there's no need to make any choices between any particular blessings you desire, for, as Dr. Murphy says, "you can be rich beyond limitation, and never have to choose again!"

You say this is too much for you to believe... that it's too good to be true? Well then, can you explain the astonishing things that happened after people used Dr. Murphy's prayer techniques? Can you explain—

- (1) how numerous people make use of a certain formula for paying bills with marvelous results (p. 37)
- (2) how a poverty-stricken couple received \$10,000 "out of the blue" in response to their request (p. 25)
- (3) how a man was able to triple his income in three months with a certain 28-word prayer that takes only ten seconds to repeat (p. 98)
- (4) how L.T. used a one sentence prayer to rise from a job as an office boy to the owner of a 50 million dollar company (p. 178)

...or explain any one of the scores of wonderful things that happened to people who used Dr. Murphy's prayer techniques!

But we assure you that you won't be able to explain a single one of these mysterious "answered prayers"—you won't that is, until you read Dr. Murphy's thrilling new book "YOUR INFINITE POWER TO BE RICH"...

● On page 8 of Dr. Murphy's book, you will find these exciting words:

"All of the case histories presented in my book are of men and women who became rich by using the mental and spiritual laws described in it... these people belong to ALL religious denominations... they come from every income bracket and social level. All of these people have amassed great wealth!"

● On page 24, you'll read of a woman out of work, trying to support three children, with the bills piling up rapidly. No sooner did she utilize a single prayer given to her by Dr. Murphy than a surprise gift of \$5,000 in cash came out of the blue, from an almost forgotten relative she had not seen for 15 years!

● On page 98, you'll discover how a working man TRIPLED his income in just three months, through the power of a certain

prayer. This prayer contains 28 words. It takes only ten seconds to repeat. You will find this prayer given word for word in the book.

● On page 109, you'll read the true story of Marla, a little 8-year-old Spanish girl in New York, who wanted nothing in all the world more than a new bicycle. Her parents could not afford such a gift, but Dr. Murphy, who was then her next-door neighbor taught her how to Ask... and her prayer was answered... she got her brand-new bicycle ONE DAY LATER.

THERE IS NOTHING IN LIFE THAT CANNOT BE YOURS, IF YOU KNOW HOW TO ASK FOR IT—

These are only a brief sample of the scores of true, heart-warming and moving case-histories of the power of Living Prayer in action. Dr. Murphy's book, called "YOUR INFINITE POWER TO BE RICH", gives you the full techniques with which you can contact the Power capable of answering your every need.

You will find these powerful prayer-techniques truly beautiful, reverent and inspiring. And you will find out for yourself that—incredible as it may seem—THESE PRAYERS DO WORK. They ARE answered! Time and time again, skeptics have tried—simply tried—and found to their utter amazement that Dr. Murphy truly has in his hands the lost key to a Bible secret forgotten for ages.

We do NOT expect you to take our unsupported word for this. We urge you to PROVE TO YOURSELF, our words are true. We want to put a copy of Dr. Murphy's book into your hands. All we ask is that you TRY—just try—using one of these prayers. Fill out and return the coupon below.
